

Unique Jewelry Buying Experience at The Jewelry Domain

Shopping for jewelry at TheJewelryDomain.com is truly a unique experience. The high quality images throughout the site illustrate each jewelry item to its finest detail. All jewelry items on the interactive website can be viewed in 360 degree angle, by clicking on the 360-Rotation links that are found throughout the site. This exciting new feature allows customers to carefully examine each jewelry item, before making a purchase. Each jewelry item on the site is offered in a large range of sizes, diamond carat weights, gold karats, yellow or white, or platinum, thus creating many price points for each product. These various combinations and the company's unique manufacturing process allow customers to customize any product based on taste, budget, and truly make it their own.

Founded 1977, Sunrise Jewelry Manufacturing Corporation (known as The Jewelry Domain on its website) has been leader of jewelry manufacturing for the past 30 years, and is known for its uncompromising quality standards and excellent service. Being the manufacturer, enables the company to provide its customers unbeatable prices, exceptional quality, and the greatest selection of fine jewelry. The company's extensive jewelry collection includes diamond bracelets, earrings, pendants, necklaces, rings, engagement rings, wedding and anniversary rings, and bridal sets. A special sweepstakes offer is now available where customers can win a \$1,000 14k Two-Tone Gold, 1 carat Diamond Fashion Bracelet!

Keeping customer's satisfaction in mind, The Jewelry Domain upholds the highest standard of quality for each of our products, while maintaining competitive prices. The goal of the company is to make the internet shopping experience surpass shopping in a store. The Jewelry Domain guarantees the quality of products will go beyond customers' expectations and take every step possible to ensure customer satisfaction from the point of sale to delivery.

The Jewelry Domain is accredited by the Better Business Bureau (BBB), and is a registered member at the Jewelry Board of Trade (JBT), which further emphasis the company's credibility and customer-oriented philosophy. The company strives for excellence and is committed to the highest quality standards in the industry. Hoping you find this information useful for your next your jewelry shopping search.
