

## Top 10 Places to Visit in London

London enchants everyone who comes here. This is a place filled with fun and entertainment and it also has a history to bank on. Palaces, parks and museums are there in good number. So let us start our journey and explore London.

**Tower of London:** Located on the north bank of river Thames, this is marvelous palace to go for. Recently it has also been included in UNESCO world heritage list. Earlier this place was known for torture and great misery.

**Buckingham Palace:** Visit this place for the changing of guards. It is quite funny to look at the guards with big black hats. This place attracts millions of visitor every year.

**St Paul's Cathedral:** Built in 1710, this is a beautiful church. St Paul's Cathedral has awesome interiors and go to this place for men and women who risked their lives for its safety. Also look out for acoustics because it is very interesting.

**West End:** This is art capital of London and has many theatres. Enjoy plays and musical shows which run throughout the day. There is every chance of meeting your favourite actor because they are also regular visitor here.

**Westminster Abbey:** This place is one of the tourist attractions of London. There are many big names buried here. Visit this place for the architecture and rest assure about cherished memories you will carry home.

**Trafalgar Square:** This is a place once visited for feeding pigeons but that is not allowed these days. Go there for many monuments and you will not be disappointed.

**Clock Tower:** Often referred to as Big Ben this is one of the most pictured tower. Visit this place for having fun and taking snaps of the world largest four faced chimney clock. The whole experience will be amazing.

**Harrods store:** Any vacation is incomplete without shopping. Harrods store is world famous and you can get many things for near and dear ones back home.

**London Eye:** Take a ride of this London Eye and you will say why I did not come here earlier? London Eye gives you a panoramic view of London.

**Hyde Park:** Spread over more than 300 acres, this is one of the parks that give London a greener look. You can check this one and also since it is closer to many other attractions, this is a must for your London visit.

After a busy schedule of sightseeing in London stay in London Hotels to get relaxed and rejuvenated to start the next day with full energy.
