

## Renting At West Sands, Your Holiday On Phuket

Set in lap of the Andaman sea, off the coast of southern Thailand, Phuket is wellknown as one of the world's best holiday destinations. Whether your preference is for amazing natural beauty, an complete action packed adventure, or a quite family holiday or a mixed combination of all the three , Phuket has everything that can satisfy your tastes of unlimited fun. the whole island is a outstanding beauty, the Phuket island is world renowned for its beautiful sites.

West Sands is located on Mai Khao Beach on Phukets most favoured West coast. Mai Khao's world renowned golden sand extends for about 15 kilometres along the Andaman Sea and out of all the other ones it is the longest beach. Whilst staying at West Sands you will have access to about 500 metres of private beach front and a marvilous opportunity to dive via a 5 star national geographic PADI dive center. A beach restaurant and beach pool are also available for those nature lovers who prefer to enjoy their life by the cool waves. The West Sands resort has been completely designed to offer total comfort and convenience and rest to the people that visit this resort.

for full fun packed family holiday in Phuket there are many attractions which make your stay incredible experiance, there is a water Park , having a wave machine, lazy river, various slides, Boomerago, Super Bowl and childrens water activity play area. Isn't that cool and fun too. Kids club, with all day activities are also available so that the kids don't hinder your all day the fun and adventure trips and side by side they also have a lot of fun and ofcourse they are in safe hands too. There are many Adults activities too which includes a cookery school. they even have a full fitness centre with weight and health management. You can even go to the 5 Star National Geographic Dive Centre, Teaching PADI and Eco Care which will be really entertaining with a beach front pool in which you can have a good and relaxing time with the all the nice enviornment around and to add to more fun a nice restaurant in laps of the beautiful beach.

### Rental Accomodation Available

They have a whole wide variety of rental holiday homes at hand to offer at a good bargain rate, a large selection of property available for rental ranges from 1 bedroom apartment to 4 bedroom beach villas with their own private pools and balconies with the beautiful view of the ocean. Long term as well as for short term rentals are available there as per the need of the costmer. Many services are also offered to the people as per their requirements, to name a few are, a maid, a chauffer, a cook, a tour guide and many more such things. thus making our stay comfortable and long lasting. The accomodations are also very massive and excellent, thus making the stay of the people a rexaled and enjoyble. They even provide you with a car, as per the need, for the fraction of the money. All the things that we rent for the whole trip are mind blowing and most impartant comfortable. This is for the nature lovers who as yet have not been to Phuket, the beautiful island, please go there and see nature at it's very best and don't forget about the equally beautiful rental accomodation.
