

Luxury Bighorn Fifth Wheels: Get Them At Michigan's Largest RV Dealer!

Luxury Bighorn Fifth Wheels: Your Best Buy At Michigan's Largest RV Dealer!

The Bighorn fifth wheels are luxurious yet affordable and Lakeshore RV, in Muskegon, MI is the best place to visit if you are keen to buy luxury bighorn fifth wheels. All Bighorn fifth wheels sport an exceptional exterior with a patented front cap which is stylish and right off the bat saves you one to two miles per gallon in fuel efficiency.

The interesting fact is that all Bighorns have a drop frame chassis which allows for 145 cubic feet of storage space allowing you to easily store your fishing gear, hunting supplies, and much more. The chassis is also conveniently equipped with tie down clamps and a central vac connection and you can add an electric awning as an additional optional feature.

It also sports a convenient docking station which is lined with fiberglass and conveniently houses the satellite connectors, city water connectors, winterization valves as well as the phone and cable hookups. From the exterior to the interior, Bighorn fifth wheels have luxury features as a standard! Pair up a luxury RV with Lakeshore-RV who has been working in the RV industry for over fifty years and you can get a great in person presentation and see for yourself the quality and luxury of owning a Bighorn fifth wheel.

Moving to the interior, there is a quick and easy access control center which features switches for most critical features you need to access such as light & exterior power switches and water heater controls. The bathroom comes fully equipped with a porcelain sink and a one piece shower and the bedroom comes with a king size bed as a standard as well as night stands and windows on each side. The 2009 models are in stock and ready to be checked out at Lakeshore-RV Supercenter. Stop in today and see Michigan's most successful rv dealer at 4500 E. Apple Avenue in the city Muskegon and let a professional sales representative show you all the features in person. The new 2009 model is sure to knock your socks off so drive on out today and check out the new Bighorn fifth wheels in stock.

The kitchen in all Bighorns is absolutely luxurious with a considerable amount of countertop space for cooking and preparing meals along with beautiful oak cabinets as a standard! In addition, all RVs have a stainless steel kitchen sink with faucet as an additional standard in all of them! Additionally, the exterior allows easy access to the 12 gallon water heater and the 35,000 – 40,000 BTU furnace (depending on model) that are equipped as a standard on all RVs. This luxurious fifth wheel also features a huge exterior bay window that absorbs over 80% of the UV attempting to penetrate the unit.

The living area has a comfortable sofa which can be easily converted to an air mattress bed in a matter of 20 seconds. Adding to storage capacity is a conveniently located drawer built in adding to continued efficient use of space. The living space features two recliners and a 27" LCD HD television as a standard with laminated floor throughout. If you really want to deck out your new fifth wheel, you can add a fireplace as an additional option.
