

One-on-one CCIE Training

Want to get a CCIE certificate to enhance your career? Come to 121ccie.com!

121CCIE is the only one-on-one CCIE training institute keeping over 95% one time passing rate! Don't let success slip away anymore!

121CCIE is an innovative and successful training provider in China. We are a pioneer in establishing itself as the Global Hub for IT Training. The 121ccie was established in 1997, and it has been providing CCIE Boot Camp style training programs to worldwide students since 2005. Participants in the school including students from USA, UK, Australia, Saudi Arabia and other major countries in Europe, Asia and Middle East.

We can provide both one-on-one and combined training for our students. Our one-on-one CCIE Training course includes one-on-one CCIE R&S Training and CCIE Security. When you are in the one-on-one Lab training class, you can get all the attention from the instructor during the entire course of training, while you can add great fun and value to your CISCO Certification from touring in China if you are participating in our combined training.

Another advantage about 121ccie is that we provide the best price in the world with outstanding service, which putting forth our astonishing success! That manifests itself through our customers' (students') remark: motivation, customer orientation and honesty are evident top-to-bottom at 121ccie. Want to learn more about 121ccie?
