

## Corporate Concierge New York

When it comes to multibillion-dollar corporations, conducting the business, diversifying operations and being efficient represent major challenges. But you have to keep in mind that every great business has a back stage, where all the people that make the corporation work play their role. From employees to top clients and affiliated firms, everybody needs some time off and some quality reward. Here is where the corporate concierge New York services come into place. And just to get you started on the right path, there is some business planning available through the services provided by the corporate concierge New York.

Whether you plan on rewarding your best employees or just set a great business atmosphere for your current or future clients, corporate concierge New York has some great features to offer: Customer Loyalty Plan, Platinum Concierge Services and specialized Customer Call Centers. These features we listed, alongside with the great and fully functional web-based operations, will ensure that your company will improve its productivity.

The corporate concierge New York services will provide you and your clients with priority reservations at over 4,000 top class resorts, leading luxury four and five-star hotels and over 2,500 golf courses. You will receive priority in reservation to the most exclusive clubs and restaurants. Corporate concierge New York will take care of your client in over 80 locations around the world, being connected with over 150 foreign Concierges. The Customer Call Centers will provide non-stop services in order to cover all the possible calls from around the world, regardless of the time schedule. This is a great way to ensure that clients have nothing to worry about, since there is always someone ready to answer the phone and immediately fix the possible problems that may occur. As a plan to reward clients, the corporate concierge New York services will provide membership cards that will ensure great rates in top class stores. And since the accommodation is well covered, you can rest assured that the means of transportation will also be taken care of starting with the plane ticket reservation, the airport shuttle services and the private transport to the specified location. And as another gesture of great collaboration, at the end of the year you will receive a refund of a certain percentage from the total fees amount. Your clients will not be left aside and will also receive luxury gifts at the end of the year as a reminder that the corporation they are working with pays close attention to keeping its customers satisfied.

And in case you are wondering if the services your corporation receives through a collaboration with Corporate concierge New York can be reduced to a personal concierge, you will be surprised to discover that a special client will always be carefully attended. But you can only imagine what the depth of the services provided by a personal concierge is. All the features we wrote about in this article are also available for the special clients, with the same involvement but a much personal approach than the collaboration with a great corporation. The personal concierge will make sure that you are treated like royalty and you have all your time either to relax or take care of important matters such as your business.
