

Determining which karate uniforms meet your needs

Determining which karate uniforms meet your needs

There are a myriad of karate uniforms available, and the choices can sometimes be dizzying. With a huge range in quality, price, performance, and history, there are many options to consider when choosing the perfect karate gi for you. Choosing a practice uniform is much different than a competition one, and it is important to understand the differences.

If you are looking for a gi for karate, whether it is for competition or everyday practice, Ronin brand offers some of the best that you can buy. When you are practicing your kicks, strikes, and punches, you want something that is both durable and comfortable, and Ronin brand covers all of your needs.

Stand out in competitions

For competition, nothing beats the Ronin brand 12 oz heavyweight karate gi. When sparring, you need both performance and comfort. If you find yourself matched kick for kick and punch for punch, it may be hard to make an impression on the judges. That is when the Ronin brand 12 oz heavyweight karate gi can make all the difference. This gi is soft and comfortable, so you can practice sparring in it, but also stiff enough that it will snap appropriately when you make sharp moves during competition. You can truly give your moves a dramatic and memorable impression with the Ronin brand 12 oz heavyweight karate gi.

Affordable luxury and quality

For the price, nothing can top the Ronin brand 12oz heavyweight karate gi. As far as quality goes, it is easily compared to the best lines, such as the Shureido K-10 heavyweight gi. Known throughout the karate world as one of the top brands, Shureido also is one of the more expensive brands. The Ronin heavyweight gi offers you the same quality at less than a third of the cost of Shureido, making it easy on the budget even for novice karate students.

Like all good heavyweight gi uniforms, the Ronin heavyweight karate gi is made from 100% cotton Duck Canvas. The gi is cut in the traditional style, though the sizing runs large to allow for shrinkage when it is first washed and dried.

Top of the line Ronin competition gi

If you are looking for a gi for competition and want the top of the line, Ronin brand Shiai deluxe Japan cloth 14oz. gi is a superior choice. This stunning gi is made in Japan, featuring gorgeous sea foam blue 100% cotton only found in Japan. The perfect ultimate Kata karate uniform, this gi will compliment your every move.

This gi offers the traditional shoulder stitch with straight rows of stitching on the sleeves and pant bottoms. The superb quality of the No. 10 cloth moves with every kick and strike. It is easily compared to tournament versions of both Tokaido and Shureido in cut and quality, though the Ronin Brand Shiai Black label is the heaviest at 14 oz.

Perfect Ronin gi for practicing your perfection

If you are looking for a more everyday style, the Ronin brand Shiai Red label offers a stunning gi. Perfect for practicing all your kicks, strikes, and moves, it offers the same weight at the Shiai Black label, but in snow white 100% cotton canvas.

Your impressive karate skills will be highlighted with this gi, made with masterful skill of the finest quality materials. Comfortable and mobile, with reinforcement stitching to offer extra durability, it will take whatever you can throw at it, or whatever throws you. A roomy cut and comfortable fabric offers you smooth motion for every routine, and this gi is perfect for both practice and competition.

No matter what your needs are, the Ronin Brand gis offer everything for you to wear from your first practice to your last tournament. They also offer a complete line of belts that compliment your gis to show off your current skill level!
