

Looking for Your Life-Partner?

Have you ever wondered what it takes to find the love of your life? Is it your dream to find a life-partner who will love, cherish and adore you? If you're longing for a soul mate, the Soul Mate Kit will help you prepare to manifest one!

As someone who didn't meet and marry my soul mate until I was 44, I learned a lot along the way about what does and doesn't work in the world of love and romance. Finding true love is possible for any one at any age if you're willing to prepare yourself, on all levels, to become a magnet for love. This wonderful Universe of ours is set up to deliver the people and things we draw to us that are consistent with our personal belief system. If you don't believe you will ever find the ONE, then guess what, you get to be right. . . you probably won't.

If, however, you learn to believe that the one is not only out there but is also looking for you, then true love can be yours. My grandmother always told me there's a lid for every pot. In other words, there is a match -- a perfect partner -- for every person. Even so, I have to admit that there were many, many times in my thirties when I questioned this because I still hadn't found the lid to my pot.

Then one day something happened that really solidified in me the belief for me that my soul mate was out there . . . somewhere. I was watching Oprah and she had Barbra Streisand on the show. Barbra had recently fallen in love with James Brolin and I remember thinking, "Here is this super-wealthy, ultra famous diva . . . how many men could be a match for her?" And then I realized, if God could find somebody for her then I'll be a piece of cake! I knew in that moment, with absolute certainty, that if the Universe had the perfect man for Barbra Streisand then my soul mate was definitely out there. I also knew that I needed to prepare myself on every level to magnetize him into my life.
