

Checklist for a Stress Free Wedding

Indian Weddings are an elaborate affair as it involves many aspects for the preparation for this joyous moment like deciding on the wedding invitation card , choosing the wedding venue , selecting the wedding dress, opting for the correct wedding jewelry , finalizing the wedding budget .Since weddings in India are such an exhaustive and extensive affair it is bound to create pressure on the families of both the groom and the bride , if the marriage is not properly planned with dexterity.

It is of paramount importance for both the would be couple before they exchange the wedding vows they prepare a check list for stress free wedding . The list which is comprehensive runs into diverse aspects of weddings in India . The checklist must consists of the following vital aspects like choosing the caterer, Shopping guide, Wedding dress, Wedding jewelry, Wedding Mithai sweets, , Wedding transport, Flower decoration, Wedding budget, Wedding entertainment, Wedding Jokes, Wedding Music Wedding Songs, Wedding venue Wedding Cakes, Wedding invitation Card, Wedding Mandap, Wedding Photography and Wedding Themes.

The preparation of each feature of Indian weddings requires meticulous planning . for instance while choosing a wedding caterer If the budget is high, then special arrangements can be made for vegetarian, non-vegetarian and drink lovers. Even if the budget is normal, the caterer service provides the menu that includes certain number of appetizers, main dishes, side dishes. The calculation is made as per the number of guests and time of a reception.

Similarly choosing a wedding venue where the wedding vows are exchanged and reception is hosted needs to be selected properly .The wedding venue should be decided keeping in mind the number of people expected to attend the wedding. The parking space should also be considered while selecting a wedding venue. One needs to select a venue that suits ones budget. To top it all It is necessary to make a wise decision and not decide for the venue in a hurry. One needs to book the venue at least 6 months in advance to avoid the last minute hurry and avoid compromising on the wedding venue selection

Even the Indian Wedding Decorations which form an important part of the Indian Wedding have to be handled with finesse . The traditional Indian Wedding Decoration includes banana plants, flowers, rangoli, diyas etc. Nowadays, the Indian Wedding Decorations have become an extravagant affair with lavish designs of electronic lighting, exotic flower decorations, crystal decorations, and a mix and match of different materials like fabrics, artificial plants and so on.

In the 21st century India , there are wedding planners in India who make all the arrangements from acting as a shopping guide to assisting in the wedding preparation . By taking the service of wedding planner , the groom and the bride can have a stress free wedding . Even the wedding planners follow the checklist for stress free wedding.
