

Study Portuguese in Brazil and learn to dance Capoeira

If you travel abroad to study Portuguese in Brazil don't miss the chance to learn the enigmatic capoeira dance.

Capoeira is a martial dance that dates back to the slavery period, when hordes of black people were brought from Africa, especially Angola, to work on the different plantations of United States. If you study Portuguese in Brazil you will be taught that during working periods, slaves practiced this combat fighting so as to defend themselves from each other and from abusing owners. Study Portuguese in Brazil and find out how Capoeira became so dangerous for the slavery system and later on for the society in general that was totally banished and prohibited by law until 1920.

During slavery period Africans managed to keep its roots untouched by developing what we now call Capoeira. Study Portuguese in Portugal and discover a dance that hides and disguises martial movements and fighting techniques under the soft rhythm that accompanies the Capoeira dance.

As you study Portuguese in Brazil you will learn that Capoeira became accepted and famous as a dance tradition rather than as a fighting activity.

Nowadays, the tradition has spread all over the world, especially in countries of Latin America and of black influence. Brazil is the capital of Capoeira dance. While you study Portuguese in Brazil take a chance to watch street performances or attend a Capoeira school or academy.

Traditionally, those that initiate in this dance are given a nickname. So study Portuguese in Brazil and became a new member of the Capoeira group. The first Academy was established in 1937, when Capoeira became recognized by the government of Brazil as a sport. Study Portuguese in Brazil and learn how the first school was opened in Bahia by the hand of the renowned Mestre Bimba, a master of Capoeira.

The typical dance includes cartwheels, handstands, jumps, kicks and crawling movements on the floor. As you study Portuguese in Portugal you can appreciate how dancers form a circle and wait for their turn to go to the middle and show their abilities.

Study Portuguese in Brazil and let your heart be filled with the soft and tender music that accompanies the Capoeira dance. The Bimbau is the musical instrument used during these rituals. Study Portuguese in Brazil and listen to the magical sounds of the seeds inside the gourd of the Bimbau. Playing the Bimbau is not so difficult, so take your chance and learn this marvellous art as you study Portuguese in Brazil.

Capoeira is perfect to achieve flexibility and muscle strength. It encourages people to live healthy and to free their bodies and mind by communicating in this unusual language. Study Portuguese in Brazil and learn Capoeira while discovering ancient traditional past and a social ritual that talks about beauty, power, freedom and interaction.
