

Dubai's High Rising and Architecturally Brilliant Developments

Dubai has become an international hotspot for property and the reason behind this is the high rising and architecturally brilliant developments like the ones listed below.

Westside @ Lincoln Park:

Brilliant low-rise architectures with the great blue sky as backdrop, best describes Lincoln Park. Offering true value for money, Lincoln Park is a mixed-use development of 7 buildings with dedicated commercial and residential buildings. Inspired by Chicago style architecture, the buildings have a well articulated and ornamented front entrance, flat roofs with parapet walls and beautifully designed roof terraces.

Burjside Boulevard:

Burjside Boulevard is a 36-storey spectacle, with 3 levels of podium and 1 level dedicated to leisure, all offering uninterrupted views of the bustling Business Bay and Burj Dubai. A life of fine choice customized for the connoisseurs of contemporary living, the tower offers contemporarily opulent three, two and one bedroom apartments with a fully equipped kitchen. Burjside Boulevard offers a lifestyle investment personalized to your high standards. Select from three flexible 5-star homeowner investments.

Palm Springs:

Enviably located in a prime location on the Palm Jebel Ali's Crescent, Palm Springs is the apex of inspirational living. Having commissioned award-winning architects, we have created an architectural tour de force. Palm Springs offer uninterrupted sea and water views.

Situated elegantly between the Two world class hotels, our building, which is managed by a prestigious international hotel chain, boasts a wealth of superlative amenities. A unique and exclusive residential property on Jebel Ali, Palm Springs is the Zenith of desire.

Park Towers:

Park Towers is a two tower residential project in the heart of DIFC with freehold facility for UAE nationals and expatriates. Each tower is 30 storeys high, and offer approximately 432 exquisitely designed one, two and three bedroom apartments.

Park Towers at DIFC offer panoramic views of the financial hub and provide the ultimate in exclusivity and comfort. The Residences at DIFC are bound to appeal to your discerning tastes. Poised to be the most sought after address in the world's newest financial centre, the two towers are designed to provide you with a luxurious yet comfortable apartment - a masterpiece of contemporary architecture and distinct styling.

The intelligent design of the towers ensures that every apartment has a wide balcony offering you the freedom to relax and enjoy the stunning views of the financial district, with its parks, cafés and entertainment facilities.

Damac Properties are the largest private master developers in the Middle East offering the most luxurious and exclusive residential and commercial [Dubai Real Estate](#), [Dubai Freehold Property](#) and [Dubai Investment Property](#) for sale.
