

Wedding Party Cruise

If you've already discussed the venue of your upcoming wedding with your fiancé, then there's nothing left to say. But if you could still change things, why not consider having a wedding on a cruise ship-you know, a Wedding Party Cruise. Not only will your fiancé love having a Wedding Party Cruise, but for both of you, it will be the most romantic day of your lives.

If you arrange it well in advance, you can have everything done professionally. Usually, the ship's captain conducts the wedding ceremony with complete legal authority. Alternatively, you can bring your own priest.

After the ceremony, you can have a very private reception, of the size you want. Choose from the many banquet halls, suites and party lounges to host your reception. Or you can host in an open environment with beautiful views of the sea.

For you, the wedding couple, a [Wedding Party Cruise](#) is not only romantic but also very economical. Plus, it has other advantages. And with the many discount packages available for newlyweds, you could be in for a big saving!

The ship's crew does everything it can to make yours a very special day. For instance, you can have an upgrade on your suite for free, a bucket of free champagne and flowers in the cabin, apart from an offering of chocolates. Besides, you could also be invited to dine with the captain, if you like. It's pampering time for you both, and well the captain and his crew know this.

Before your cruise can begin, look into the finer details of your [Wedding Party Harbour](#) , if only to avoid any future hassles. If there is a special brand of champagne or a certain wine you prefer, then inform them in advance, so that they can make sure it is on board. You can also make a date with the beauty salon on board the ship, order your wedding cake, flowers and wedding dinner, right here.

Benefits of a Wedding Party Cruise: Really, you should consider having a Wedding Party Cruise as both you and your guests will have a really good time, apart from which a wedding on a cruise liner is hassle-free. Since all your guests will be aboard with you, you needn't worry if someone is going to miss it just because he's caught in a traffic snarl. Of course, this means you won't get to reach the venue in a limo, but you could reach the cruise ship in one, if you're particular about it.

And, planning your wedding won't be as stressful as other brides find it. This is because you will find all the wedding services you require under one roof. If you want a caterer, florist, photographer or anyone else, don't worry-he's already trained and ready on board your Wedding Party Cruise liner. This will save a lot of time and bother for you both and you can enjoy your wedding, not worry if everything's going fine.
