

# 11 Days Kenya and Tanzania Wildlife Safari

## ACTIVITIES

Birdwatching, Cultural Tours, Game Drives, Game Viewing, Wildlife Viewing The safari starts by taking you to northern Kenya across the equator to Samburu National Reserve, a beautiful and game abundant park home to rarely found species such as the Beisa Oryx, Grevy's zebra, blue-necked Somali ostrich and reticulated giraffe. The safari then heads down to the floor of the Rift Valley to Lake Nakuru National Park, world famous bird sanctuary before proceeding to Maasai Mara Game Reserve, Kenya's most popular game sanctuary where you have the best opportunity of spotting the "Big Five" -lion, leopard, buffalo, rhino and also Voted 7th Wonder of the world. (Cross Masai mara to Tanzania without coming back to Nairobi ) Tanzania will include a brief visit of Olduvai Gorge, more accurately called Oldupai after the wild sisal in the area, which is the site of some of the most important fossil hominid finds of all time - "Nutcracker Man" or Australopithecus boisei who lived 1.75 million years ago. then a visit to Ngorongoro crater another wonder of the world and Heritage site then to Zanzibar for a beach relaxation.
