

Photos on canvas, photos to canvas, canvas art prints

At GetCanvas we offer a very personal service providing our customers with wonderful quality photos on canvas, photos to canvas and giclee canvas art prints, all which are tightly framed and supplied with hanging kits. We offer excellent value for money prices and a large choice of frames sizes up to 54" (135cms) by any length for incredible wall art.

We produce the highest quality canvas prints to-date and now offer a free expert image proofing service for your own photos on canvas, which is a fine way to display your digital photos in a large format as incredible wall art.

Our latest HP printers use the best UV inks and print onto 100% cotton canvas, every canvas print is then hand stretch over a strong anti-warping stretcher frame with wedges and hanging kit to finish. Making your job of hanging your perfect picture child play. Our large format printers use HP's new colour layering technology, which are calibrated and colour-managed at each stage of the production process to ensure nothing less than outstanding quality every time and fade resistant for more than 200 years.

We print on canvas and framed here combining high quality digital canvas printing at affordable prices with free delivery within 3-5 days. Plus you will get free red eye and blemish reduction, photos to canvas proofing, conversion to black and white, sepia, cropping and resizing, dust and scratches removal all part of our wonderful service.

We also offer canvas pictures in our canvas art gallery with a stunning range of unique and modern designs suitable for your home or working environment.

In our gallery we offer an exclusive and unique range of modern canvas art prints for unique wall art, you are sure to find a perfect canvas art print for your space. Our photos on canvas transform your treasured photographs, images or drawing into incredible photos on canvas. Also take advantage of our free image proofing service and receive accurate demo images of your framed canvas print before buying.

Your canvas print will be then professionally mounted for quick and easy hanging on your wall. We are happy to print and frame your photos in full colour, sepia or black and white but for something truly unique and special, our design team can also create highly skilled artwork such as pop art or colour tints using your photo as a starting point
