

## Ink Cartridges

What you put in your printer is like what you put into your body. You are what you eat and your inkjet printer is only as good as the ink you put in it.

PCfriend have sourced ink cartridges compatible with your printer to help you achieve sharp results with minimum cost to you.

PCfriend are the leading online shop for quality ink cartridges at a discounted price in the UK. All our printer ink cartridges are 100% guaranteed to be compatible with your inkjet printer and produce excellent results. The price you see is the price you pay. Our prices include VAT and are delivered to you at no extra charge.

We only sell ink cartridges using the best ink that have been certified as 100% compatible with your printer before they leave the factory. We believe our products to be so good we use them in our own offices and so are sure to be good enough for you either at home or in your office. In fact, we are so confident that our cheap ink cartridges will more than meet your requirements that we offer a no quibble 30 day money back guarantee. Here at PCfriend you can feel confident that you get the ink cartridge that will have your inkjet printer producing maximum results.

We stock a vast range of ink cartridges compatible with most inkjet printers available on the market today. Whether you need Hewlett Packard ink cartridges, Epson inkjet cartridges or Canon inkjet cartridges you'll find them all and more at PCfriend. We also stock Brother ink cartridges, Lexmark ink cartridges, and Samsung ink cartridges.

Choose PCfriend for your cheap ink cartridges and start saving money today. 90% of our orders are despatched the same working day using our next delivery service so that you don't have to wait for your purchased items. PCfriend appreciate that sometimes keeping track of the toner in our printer is the last thing on your mind yet when you run out you realise how urgently you need it! PCfriend therefore make it their priority to get you the products you need as quickly as possible.
