

Our Ghana vacations

It was an anniversary gift for me and my husband from my in-laws. We have spend a romantic trip to Ghana. We have stayed at Golden Tulip Accra Hotel at Accra which we booked from www.ghanahotels.us/. It is just five minutes driving distance from airport and from city center it takes ten minutes driving. It is a four star hotel and their accommodation at Golden Tulip Accra Hotel is quite good. An Air Conditioned Bar/Lounge to Business Center, Hairdryers, Health Club, no Smoking Rooms, Pool, Outdoor Pool, Restaurant each and everything is available under one roof.

Chefs are very cautious to introduce a different menus as per the guests taste and preferences. They present us special menu to celebrate our anniversary. We have tasted some yummy food like Jollof Rice, Ghanaian Kebab, Gari, Kelewele, Kenkey, etc.

We visit Langma beach which very clean and clam. It is a on of the most beautiful beach in Ghana. There we have found some turtle nests. I want to touched them but then thought it will be better to let them alone. At night we had taken a romantic dinner under moonlit with some delicious food.

After that we have going to see some beaches nearby Accra i.e. Labadi beach (very nice and crowdly beach), Butre beach, Busua Beach, Misty Beach(a small and quite beach on way from Accra to Tema).

In the morning you can see the fishermen are very busy towards the sea as per the daily job with their colorful boats.

After returning from our Ghana vacations we are feeling cool. It refreshen our mood. My husband is trying concentrate again on his project because our mind is still over there in Ghana. I don't know whether it will be possible or not to go again for Ghana travel. To achieve a satisfying Ghana tour www.ghanahotels.us/ helps us a lot.
