

## Express Yourself With Cartoon Tees and Movie Tees

The T-Shirt, once regarded as an undergarment, has now evolved into a fashion statement. What was once hidden beneath clothing is now worn proudly on the outside, for the world to see. T-shirts memorialize vacation spots, concert visits and other special events, favorite sports teams and music groups, and can identify membership or association with certain hobbies, organizations, or affiliations. No other garment can make a statement about who you are, what you like, where you've been, or where you'd like to go better than a T-shirt.

T-shirts are welcome additions to any wardrobe, and also make great gifts. T-shirts are worn by people of all ages, they look and feel great through many washings, and are easy to maintain. When worn threadbare and holey, T-shirts are not discarded – they simply take on a new role as yard work clothing, painting garb, mechanic gear, or sleep ware. When no longer serviceable as clothing, best loved T-shirts stay in the lives of their owners as dusting cloths or car washing rags. Some of the best-loved T-shirts have even continued on in the lives of their owners as quilt blocks and rag rugs.

Cartoon shirts make great gifts for kids and adults. With dozens of cartoon styles to pick from, there's bound to be a tee to fit you, AND your personality! Girls and boys, young and old, anyone can find a cartoon shirt that they enjoy and would be proud to wear.

Do you feel lucky? Well do ya, punk? You will if you strap on a movie tshirt of your favorite flick! Into classics? Try a Rocky tshirt, or Star Wars tshirt. Funny guy or gal?
